BALESMEN.

See that YOUR feet are set in the pathway of prosperity. Get in on it this time. You remember the colored hobo who, hearing the noonday whiletle, sighed: "Dat's dinner time to some folke, but it's only twelve o'clock to me." After all, there isn't much difference between success and failure-sometimes it's only a question of taking advantage of an offered opportunity. YOUR opportunity confronts you right now. How shall I make you selze it? If we could have a man-to-man chat together for a few minutes it would all be clear to you and you'd realize that, all the time, you have had it in you to make big money and that all that was needed to start you on a career of real prosperity were a few suggestions and an opportunity to make good. No, it isn't the "same old thing," it's an entirely new thing and done in an entirely new thousand the could be the work of the ability to tell the truth. You will come in contact only with high class men to whom the only thing that appeals is TRUTH. The amount of money being made by members of our staff, in commissions, right now is more than you would believe possible. But the men are here and their most pleasant surroundings, write me for an interview. I think I can put you in the \$10,000 a year class in no time. Be kind to yourself (and those dependent upon you), and write me today, Box B 518 Herald, 250 Broadway.
